UNITED STATES DISTRICT COURT EASTERN DISTRICT OF MICHIGAN

NOTICE OF PENDENCY OF CLASS ACTION SETTLEMENT

A new proposed \$25 million class settlement (the “Settlement”) has been reached in the Flint Water Cases. The Settlement relates solely to claims against Veolia North America, LLC, Veolia North America, Inc., and Veolia Water North America Operating Services, LLC (collectively “VNA”), an engineering firm that Plaintiffs allege is liable for harm suffered as a result of the Flint Water Crisis.

You are a Class Member if for any period of time between February 10, 2015, and July 31, 2016, you:

- owned or were the lessee of residential real property that received water from the Flint Water Treatment Plant, or were legally liable for the payment of such water (Property Damage Subclass);
- owned or operated a business, including income earning real property and any other businesses, that received water from the Flint Water Treatment Plant and who are claiming or could claim a resulting business economic loss (Business Economic Loss Subclass); or
- ingested or came into contact with water received from the Flint Water Treatment Plant and are claiming or could claim a resulting personal injury (Adult Exposure Subclass); and
- were 18 years old as of January 31, 2024.

This Notice is being provided by Order of a U.S. District Court.

It is not solicitation from a lawyer. You are not being sued.

- A lawsuit pending in the United States District Court for the Eastern District of Michigan (the “Court”) claims that VNA committed professional negligence relating to the City of Flint’s (“City’s”) water, which injured Class Members. VNA denies that they committed professional negligence, and that any negligence caused any Class Member’s injury.
- The parties have agreed to a Settlement that requires VNA, in addition to other obligations set forth in the Settlement Agreement (available at www.officialflintwatersettlement.com), to pay or cause to be paid \$25 million into the Flint Water Crisis Qualified Settlement Fund (the “Settlement Fund”) to settle the pending class action.
- Class Members who previously submitted a Claim Form pursuant to the previous settlement reached in this matter will be automatically registered for this Settlement. Class Members who have not yet submitted a Claim Form must do so by mail by **September 16, 2024**. If you do not submit the Claim Form, you will not be able to file a claim for payment.
- If you want to keep your individual right to sue VNA, you must exclude yourself from (or “opt out” of) the Settlement by **August 16, 2024**. If you do not exclude yourself, you may submit an objection to the Settlement by **August 16, 2024**. If you submit a written objection, you may (but you do not have to) attend the fairness hearing on **October 3, 2024**. You have the right to hire your own lawyer to represent you as an objector and/or represent you at the fairness hearing, though you do not need to hire one to object or to appear at the hearing.
- This Notice applies only to Class Members as defined above. If you think you are a Class Member, you should read the enclosed Notice carefully. If you are a Plaintiff with an ongoing lawsuit, you should speak to your lawyer. If you have questions about the Settlement Program or the Settlement, please visit www.officialflintwatersettlement.com, or call toll-free, **1-800-493-1754**.

YOUR LEGAL RIGHTS AND OPTIONS IN THE SETTLEMENT:	
SUBMIT A CLAIM FORM IF YOU DID NOT ALREADY SUBMIT ONE IN THIS CASE FOR THE PREVIOUS SETTLEMENTS.	<p>This is the only way to be eligible to receive a payment from the Settlement Fund if you did not already submit a Claim Form in this case for the previous settlements in 2022 and 2024. The Claim Form must be postmarked on or before September 16, 2024.</p> <p>If you already submitted a Claim Form in this case, you do not need to do anything. Your claim will automatically be considered as to the Settlement with VNA.</p> <p>If you did not already submit a Claim Form in this case, you will need to submit a Claim Form.</p>
EXCLUDE YOURSELF FROM THE CLASS.	<p>Get out of the lawsuit and receive no benefits from it. Keep rights. This option allows you to exclude yourself from the Class and retain the right to choose your own lawyer and file a lawsuit against VNA asserting the claims relating to the allegations in this case. If you choose to bring your own individual lawsuit, you will need to do so within the applicable statute of limitations period and the statute of limitations will begin to run immediately upon when you opt out of the Class.</p>
OBJECT TO THE SETTLEMENT BY SUBMITTING A WRITTEN OBJECTION.	<p>Write to the Court and explain why you object to the Settlement. Objections must be filed with the Court and received by the parties on or before August 16, 2024. You have the right to hire your own lawyer to represent you as an objector, though you do not need to hire one in order to object. NOTE: If you exclude yourself from the Class, you cannot object. You must be a member of the Class in order to object.</p>
ATTEND THE FAIRNESS HEARING ON OCTOBER 3, 2024, AND FILE A NOTICE OF INTENTION TO APPEAR.	<p>Ask to speak in Court about the fairness of the Settlement. Requests to speak must be filed with the Court and served on the parties on or before August 16, 2024. You have the right to hire your own lawyer to represent you at the fairness hearing. If you submit a written objection, you may (but you do not have to) attend the hearing.</p>
DO NOTHING NOW.	<p>If you already submitted a Claim Form in this case, you need not submit this form again. Further, if your previously submitted claim was found deficient, it will be re-evaluated under the new standard.</p> <p>NOTE: If you HAVE NOT previously submitted a Claim Form, and do nothing, you will receive no payment. Similarly, if you previously submitted a Registration Form but did not submit a Claim Form, you will receive no payment. You will, however, still be a Class Member, which means that you give up your right to ever be part of any other lawsuit against VNA about the legal claims being resolved by this Settlement, and you will be bound by any judgments or orders entered by the Court in the Action.</p>

BASIC INFORMATION ABOUT THE LAWSUIT AND SETTLEMENT

1. What is the lawsuit about?

Class Plaintiffs in this lawsuit claim that while advising the City of Flint at different points in time regarding water treatment related to using the Flint River as a drinking water source, VNA breached the standard of care for a professional engineering firm, resulting in injuries to Class Members. VNA denies that they breached the standard of care and that any breach of the standard of care caused Class Members' injuries. At this point, no court has found that VNA breached the standard of care.

There are also settlements with the State of Michigan, City of Flint, and other Defendants. The Settlement with VNA adds to the total funds available for Class Members.

2. Why is there a Settlement?

Certain lawyers representing Plaintiffs were appointed by United States District Judge Levy to leadership positions and given the authority by the Court to conduct settlement negotiations. Those lawyers engaged in settlement negotiations with VNA under the direction of Mediators to help the parties resolve the litigation.

After careful consideration, Class Counsel have concluded that it is in Plaintiffs' best interest to compromise and settle the claims in the lawsuits for the money and other benefits included in the Settlement. Class Counsel have also determined that the Settlement Agreement is fair, reasonable, adequate, and in the best interests of the Class Members. Both Plaintiffs and VNA have agreed to settle to avoid the cost and risk of litigation.

3. What does the Settlement provide?

Plaintiffs and VNA have agreed that, in consideration of the Releases and Covenant Not to Sue detailed in the Settlement Agreement, VNA will pay or cause to be paid into the Settlement Fund \$25,000,000 which will go to Class Members.

4. Why did I get this Notice?

The City of Flint's records show that either (1) your address received water from the Flint Water Treatment Plant between February 2015, and July 31, 2016, and/or (2) you submitted information in the previous settlement.

5. What is a class action and who is involved?

In a class action lawsuit, one or more people called "class representatives" sue on behalf of other people who have similar claims. The people together are a "class" or "class members." The class representatives who sued—and all the class members like them—are called the plaintiffs. The plaintiffs are represented by lawyers who filed the class action suit and then were designated 'Class Counsel' by the court. Class Counsel have the sole right to represent the class's interests in the case and decide whether to appeal any decisions that are made. The companies and people the plaintiffs sued (in this case, VNA) are called the defendants. One proceeding resolves the certified issues for everyone in the class—except for those people who choose to exclude themselves from the class.

6. Why is this lawsuit a class action?

The Court decided that certain issues in this lawsuit can move toward a trial as a class action because they meet the requirements of the relevant Federal Rules of Civil Procedure, which govern class actions in United States courts.

7. How will the Settlement Fund money be divided?

The VNA Settlement will provide an additional \$25 million to the Class. As with the prior settlements, these funds will be allocated among different categories. The allocation was the result of negotiations among the 'subclass' counsel previously appointed by the Court specifically to address allocation of the funds. The charts below show the percentage amounts allocated to the categories. Note that the amount that is available for distribution will be the amount after deducting any amounts that the Court authorizes

for fees and expenses. Eligibility terms of the prior settlements will apply in the evaluation of your claim, except that those claiming adult injury do not need to submit medical records of injury or causation.

CATEGORY	WHO QUALIFIES (subject to Claimants meeting requirements in the Settlement “Compensation Grid”)	PERCENTAGE OF \$25 MILLION SETTLEMENT FUND

DETERMINING IF YOU ARE A MEMBER OF THE CLASS

8. I live in the City of Flint and/or I own property or a business in the City of Flint. How do I know if I am a member of the Class?

You are a Class Member if for any period of time between February 10, 2015 to July 31, 2016, you (1) were an Adult or entity who owned or were the lessee of residential real property that received water from the Flint Water Treatment Plant, or were legally liable for the payment of such water; (2) owned or operated a business, including income earning real property and any other businesses, that received water from the Flint Water Treatment Plant and who are claiming or could claim a resulting business economic loss; or (3) (i) were an Adult during the Exposure Period or (ii) became an Adult on or before January 31, 2024, and ingested or came into contact with water received from the Flint Water Treatment Plant during the period February 10, 2015 and July 31, 2016, and are claiming or could claim a resulting personal injury.

9. Are there people or entities that meet the definition above but are excluded from the Class?

Yes. Certain individuals and entities are excluded from the Class. These include:

- Defendants.
- The judicial officers to whom this case is assigned in federal court, Genesee County Circuit Court, and the Michigan Court of Claims, as well as these officers’ staff and immediate family members.

- All persons and entities that have retained a lawyer who is not acting as Class Counsel designated by the Court. If you retained a lawyer and are not certain whether your lawyer is Class Counsel, then you should contact them and ask whether they are Class Counsel designated by the Court. If you have retained your own lawyer and have questions about whether you are included in the VNA Settlement Class, you should contact your lawyer directly. Minors are not part of the Class Settlement.

10. What if I am excluded from the Class because I am represented by a lawyer that is not acting as Class Counsel but wish to participate in the Settlement?

If you are represented by a lawyer who is not one of the Class Counsel, then you are excluded from the Class but may petition the court to join the Class. If this applies to you, you should contact your individually retained lawyer for more information regarding next steps.

PARTICIPATION IN THE SETTLEMENT

11. Do I have to submit a Claim Form to get money from the Settlement?

Yes, if you have not previously submitted a Claim Form you must file a Claim Form if you want to receive any money from the Settlement. **If you previously submitted a Claim Form pursuant to the previous settlements in this matter, then you need not submit any further forms as you will be automatically registered for this Settlement. NOTE: If you previously submitted a Registration Form but not a Claim Form, you will still need to file a Claim Form to be eligible to receive a payment from this Settlement.

12. How do I know if I can submit a Claim Form?

Members of the Class may submit a Claim Form if at any time during the period February 10, 2015 to July 31, 2016, **you are claiming or could claim personal injury, property damage, business economic loss, unjust enrichment, breach of contract, or any other type of damage, injury, or relief,** and:

- Were an adult during the period from February 10, 2015 to July 31, 2016, or became an Adult on or before January 31, 2024, and ingested or came into contact with water received from the Flint Water Treatment Plant and are claiming or could claim a resulting personal injury (Adult Exposure);

EXCLUDING YOURSELF FROM THE CLASS

If you do not want to participate in this proposed Settlement and you want to keep the right to sue VNA about the legal issues in this case, then you must take steps to get out of the Settlement. This is called "opting out" of the Class.

15. What does it mean to request to be excluded from the Class?

If you do not want to be part of the Class and want to keep your right to sue VNA separately relating to the issues described in this Notice, then you must take steps to remove yourself from the Class. This is called excluding yourself or opting out of the Class. If you exclude yourself, you will not be bound by the terms of the Settlement or any judgment for or against VNA, and you will not receive any money from the VNA Settlement. You will have to bring your own lawsuit within the required timeframe and prove your entire case.

16. How do I exclude myself from the Class?

To exclude yourself from the Class, you must send a letter by mail stating that you wish to be excluded from the Class in *In re Flint Water Cases*, 5:16-cv-10444-JEL-EAS. Be sure to include your name, address, telephone number, and signature. You cannot exclude yourself over the telephone. You must mail your Request for Exclusion, postmarked no later than **August 16, 2024**, to:

Flint Water Crisis VNA Settlement
Attn: Exclusions c/o A.B. Data, Ltd.
P.O. Box 173001
Milwaukee, WI 53217

You cannot ask to opt out of the Settlement by phone, email, or at the website.

17. If I don't exclude myself, can I sue VNA later?

No. You must exclude yourself from the Class to be able to bring your own, separate lawsuit(s) against VNA

with respect to the issues in this case. Remember, the exclusion deadline is **August 16, 2024**.

THE LAWYERS REPRESENTING YOU

18. As a member of the Class, do I have a lawyer representing my interests in this class action?

Yes. The Court has appointed lawyers to represent the members of the Class. The lawyers listed below are the Court-appointed Class Counsel.

CLASS COUNSEL	
Theodore J. Leopold Cohen Milstein Sellers & Toll PLLC 11780 U.S. Highway One, Suite N500 Palm Beach Gardens, FL 33408 (561) 515-1400 tleopold@cohenmilstein.com	Michael L. Pitt Pitt McGehee Palmer Bonanni & Rivers P.C. 117 W. Fourth Street, Suite 200 Royal Oak, MI 48067 (248) 398-9800 mpitt@pittlawpc.com

19. How will the lawyers be compensated?

If the Settlement is approved by the Court, Class Counsel will ask the Court for an award of attorneys' fees in an amount not to exceed 33% of the amount of the Settlement Fund that is allocated for payment of claims of Class Members. Class Counsel may also seek reimbursement of expenses incurred in litigation and negotiating the Settlement and may also seek fees for other Settlement-related and common benefit activities that are not specific to or solely for the Class. All fees and expenses must be approved by the Court. In addition, certain administrative fees will be paid from the Settlement Fund including fees and expenses of claims administration and expenses and the costs of providing notice to Class Members. Any award of such fees and costs ordered by the Court will be paid from the Settlement Fund according to the terms and limitations of the Settlement Agreement.

The methodology proposed by the Plaintiffs' attorneys for determining attorneys' fees and expenses is covered in the Plaintiffs' attorneys' motion to the Court requesting such fees and expenses, and which will be a public document once filed with the Court. It will be available at www.officialflintwatersettlement.com.

20. Should I get my own lawyer? What if I do hire my own lawyer?

You have the right to hire your own lawyer, but you do not need to do so. Class Counsel are working on behalf of the Class. If you decide to hire your own lawyer, they must file a Notice of Appearance. If you hire your own lawyer, you will need to discuss attorney fees and costs with that lawyer.

21. What if I already have my own lawyer?

If you have already hired your own lawyer, you should contact your lawyer directly with any questions as to whether this Notice applies to you and how to proceed.

OBJECTING TO THE SETTLEMENT

22. How do I tell the Court that I don't like the Settlement?

If you are a Class Member (and do not exclude yourself from the Class), you can object to any part of the Settlement. All objections must be in writing and include the following:

- A detailed statement of your objection(s), as well as the specific reasons, if any, for each such objection, including any evidence and legal authority you wish to bring to the Federal Court's attention.
- The written statement must contain your printed name, address, telephone number, and date of birth, and written evidence establishing that you are a Class Member.
- The written statement must include any other supporting papers, materials, or briefs you wish the

Federal Court to consider when reviewing the objection.

- A written objection may not be signed using any form of electronic signature but must contain your dated signature (not just counsel).

The Federal Court will determine whether any Class Members who do not follow the procedures will have waived any objections they may have. A Class Member may object on his or her own behalf or through an attorney hired at that Class Member's own expense, provided the Class Member also signs the objection and has not submitted a written request to be excluded from the Class. Attorneys asserting objections on behalf of Class Members must:

- File a notice of appearance with the Federal Court by the date set forth in the Preliminary Approval Order, or as the Federal Court otherwise may direct;
- File a sworn declaration attesting to his or her representation of each Class Member on whose behalf the objection is being filed or a copy of the contract (to be filed in camera) between that attorney and each such Class Member; and
- Comply with the procedures described in Article 17-Objections in the Settlement Agreement.

A Class Member (or counsel individually representing him or her, if any) seeking to make an appearance at the hearing must file with the Federal Court, by the date set forth in the Preliminary Approval Order, or as the Federal Court otherwise may direct, a written notice of his or her intention to appear at the hearing, in accordance with the requirements set forth in the Preliminary Approval Order.

Any Class Member who fails to comply with the provisions of these requirements will waive and forfeit any and all rights he or she may have to object to the Settlement Agreement.

Your Objection must be filed with the Clerk of the Court by First-Class United States Mail so the Objection is **received** no later than **August 16, 2024**. The address of the Court is: Clerk of the Court United States District Court Eastern District of Michigan, 200 E. Liberty Street, Ann Arbor, MI 48104.

If you do not comply with these procedures and the deadline for objections, you will lose any opportunity to have your objection considered at the Fairness Hearing or otherwise to contest the approval of the Settlement or to appeal from any order or judgment entered by the Court in connection with the Settlement.

THE COURT'S FAIRNESS HEARING

23. When and where will the Court decide whether to approve the Settlement?

On October 3, 2024, the Court will hold a public hearing in the United States District Court for the Eastern District of Michigan, located at the United States District Court Eastern District of Michigan, 200 E. Liberty Street, Ann Arbor, MI 48104, to determine whether the Settlement is fair, adequate, and reasonable and should be finally approved, with judgment entered accordingly. The Court will also consider the application for an award of attorneys' fees and expense reimbursement. This hearing may be continued or rescheduled by the Court without further notice to the Class so you should check the website for updates. If there are objections, the Court will consider them at that time. After the hearing, the Court will decide whether to approve the Settlement. It is unknown how long these decisions will take.

24. Do I have to come to the hearing?

No, Class Counsel will answer any questions from the Court. However, you are welcome to attend the hearing at your own expense. If you (or your own attorney individually representing you, if any) want to appear at the hearing, you or your attorney must file with the Court, by the date set forth in the Preliminary Approval Order, or as the Court otherwise may direct, a written notice of your intention to appear at the hearing, in accordance with the requirements set forth in the Preliminary Approval Order.

If you send in a written objection, you do not have to come to the Fairness Hearing to talk about it. If you mailed

your written objection on time, the Court will consider it. You may also pay your own attorney to attend the Fairness Hearing, but it is not necessary.

IF YOU DO NOTHING

25. What happens if I do nothing at all?

If you are a Class Member and you have NOT already submitted a Claim Package in the prior settlement, you will not get any money from the Settlement. And, unless you opt out of the Settlement, you will be bound by the judgment entered by the Court. This means you will not be able to start a lawsuit, continue with a lawsuit, or be part of any other lawsuit or proceeding against VNA about the statements and claims at issue in this case. If you submitted a Claim Form with the previous settlement, there is nothing further you need to do in order to have your claim considered for compensation from the VNA Settlement.

There is a new proposed \$25 million class action Settlement in the Flint Water Cases. This Settlement relates to the part of the class action lawsuit that claims that Veolia North America, LLC, Veolia North America, Inc., and Veolia Water North America Operating Services, LLC ("VNA") did not follow accepted engineering practices and failed to fulfill its professional duties. The lawsuit says VNA did not properly advise the City of Flint about water treatment using the Flint River as a drinking water source. As a result, people and property were harmed. VNA denies it did anything wrong.

EXHIBIT C

MASSAD BOULOS

Can a Trump in-law get him Michigan votes?

Continues from A1

A supporter of Trump from afar since his first campaign, Boulos became more directly involved after meeting Trump at a White House Christmas party in 2019. At the time, Michael Boulos was dating Tiffany Trump.

GETTING ACTIVE

Massad Boulos has given no recent donations, according to campaign finance records. But in a trip to Michigan last month, he attended what he described as a “private fundraising event” with U.S. House Speaker Mike Johnson, R-La., U.S. Rep. Lisa McClain, R-Bruce Township, and about 50 Arab Americans.

Boulos assisted with the 2020 campaign, but his role has significantly expanded since his son married Tiffany Trump in 2022, especially as Arab American dissatisfaction with Biden presented what Trump allies think is a larger political opportunity.

“One less vote for Biden is a vote for Trump,” said Bishara Bahbah, chairman of the group Arab Americans for Trump.

Boulos maintains a “very close working relationship” with the group, Bahbah said. The group, which says it is independent of the Trump campaign, has established operations in Michigan and Arizona, states identified as priority areas by “people close to Trump,” Bahbah said.

A May meeting held in the Detroit suburb of Troy included Massad and Michael Boulos as well as Richard Grenell, who was Trump’s ambassador to Germany and is a key foreign policy adviser to the former president. About 40 Arab American activists from across the country attended.

MIXED MESSAGES

While Arab Americans for Trump was involved in the event, Boulos said that it had primarily been initiated by Grenell. The gathering received mixed feedback, with some attendees saying it lacked substance and failed to address their concerns regarding Trump.

“Grenell didn’t say what they would do, but he kept reminding us that when Trump was president, there was no war whatsoever and that he launched the biggest peace effort in the Middle East. But most Arabs and Muslims don’t consider the Abraham Accords a peace agreement,” said Khaled Saffuri, an Arab American political activist who was in attendance.

Tiffany Trump and her then-boyfriend, Michael Boulos, arrive with then-President Donald Trump at Ellsworth Air Force Base, South Dakota, in July 2020. AP files

Grenell tried to call Trump to have him address attendees by phone, according to multiple people at the meeting. The former president did not answer.

INSIDE THE OUTREACH

Just over a week later, Boulos returned for another round of engagements. This time, he had several meetings with nearly 50 members of the Arab American community, alongside one-on-one sessions with individuals identified as “high-target” leaders by Mike Hacham, the coordinator for Arab Americans for Trump in Michigan.

Siblani had a nearly two-hour meeting with Boulos, who was accompanied by Bahbah, the chair of Arab Americans for Trump.

According to Siblani, Boulos argued that things were better for Arab Americans under Trump and that the world saw less conflict and fewer wars during his presidency, suggesting Trump could help resolve the Gaza conflict.

But when Siblani pushed back, he said that Boulos lacked “facts to prove his claim that Trump is better.”

“Massad is unable to convince people to come to Trump’s side because he hasn’t offered anything substantial to the community, except that his son is married

to Trump’s daughter and he has access,” Siblani said. “That is fine, but what we need is policy and what Trump will do.”

A CERTAIN POINT OF VIEW

In interviews, Boulos said that Trump “respects and admires” the Arab American community. He denied the existence of a “Muslim ban,” which is how many Trump opponents refer to his ban on immigrants from several majority-Muslim countries. Boulos argued it was actually “extreme vetting from certain parts of the world.”

The key messages arising from the meetings, Boulos said, are communicated to Trump. Boulos highlighted a recent social media post from Trump that promised to bring “peace in the Middle East” if reelected, as evidence.

Trump’s statement, posted on his social media platform, Truth Social, on June 4, did not go far enough for multiple community leaders who met with Boulos.

Trump campaign spokesperson Brian Hughes said the campaign is “grateful that supporters of President Trump are working to communicate with this community.”

“We share the belief that Biden’s failed Middle East policies have brought death, chaos and war to the region. That failure led tens of thousands of Democrats to

vote ‘uncommitted’ in Michigan’s Presidential primary. The Trump campaign has and will continue to communicate to those voters and remind them that President Trump’s policies in the Middle East brought that region historic levels of peace and stability,” Hughes said.

JUST THE BEGINNING

Some in the community still feel that there are other options than just Trump and Biden. Green Party candidate Jill Stein visited Dearborn this year to meet with leaders and recently had conversations with the city’s mayor, Abdullah Hammoud, about the possibility of him becoming her running mate.

Hammoud, at 34 years old, is ineligible to serve as vice president. The U.S. Constitution requires both the president and vice president to be at least 35.

Officials in Biden’s administration also have visited Dearborn to meet with local leaders and have maintained ongoing contact with them, including Siblani.

Ammar Moussa, a spokesperson for the Biden campaign, criticized Trump allies’ outreach, saying that Trump “is the biggest threat to the Muslim and Arab community.”

“He and his allies believe we don’t belong in this country, and Trump is openly speaking about allowing Israel to bomb Gaza without regard,” said Moussa, who is Arab American. “Trump and his campaign are racists and Islamophobes. Period. President Biden, on the other hand, is working tirelessly towards a just and lasting peace.”

GOING ALL IN — MOSTLY

Until the November election, Boulos said he will continue to divide his time between managing his company and meeting with the Arab American community.

He stressed that he is solely driven by being a “concerned citizen and a Republican.” He has not contemplated a role in Trump’s administration if the Republican were to win.

“I honestly don’t have any thoughts about that at this time. I didn’t give this any thought whatsoever, but definitely I do not aspire for anything,” he said.

Associated Press reporters Jill Colvin in Washington, Abby Sewell in Beirut, Lebanon, and Chinedu Asadu in Lagos, Nigeria, contributed to this report.

Join millions of older Americans who are rediscovering the joy of walking

“I’m on the move again with my UPWalker®!”

The **UPWalker** is a revolutionary new mobility device that can change your life by changing the way you walk. It enables you to stand upright when you walk- with your spine straight and your eyes looking straight ahead. Your weight is supported by your upper arms and shoulders, some of the strongest parts of your body. Traditional walkers and rollators force you to put the pressure of your body weight on your hands and wrists. You push them in front of you, looking at the ground instead of where you are going. The **UPWalker** moves with you, with your body perfectly aligned and your feet free to walk in a normal fashion. Its easy-adjust height system allows it to be the perfect fit/height for anyone from 4’10” to 6’1” and supports up to 300 pounds. The new stand-assist handles enable you to distribute your weight across your arms and shoulders, not your hands and wrists to help reduce back, neck, wrist pain and discomfort. It features comfortable arm pads, hand brakes, a fold-down seat, a backrest and two storage bags. It’s built with aircraft-grade aluminum to be sturdy yet lightweight, and its sleek design and oversized wheels make it perfect for tight spots in the house or walking in the yard.

Did You Reside in Flint, Come Into Contact With, or Pay for Water in Flint, or Own, Operate, or Lease Property or A Business That Received Water from the Flint Water Treatment Plant Between February 10, 2015, and July 31, 2016?

You Could Get Money From a Settlement.

There is a new proposed \$25 million class action Settlement in the Flint Water Cases. This Settlement relates to the part of the class action lawsuit that claims that Veolia North America, LLC, Veolia North America, Inc., and Veolia Water North America Operating Services, LLC (“VNA”) did not follow accepted engineering practices and failed to fulfill its professional duties. The lawsuit says VNA did not properly advise the City of Flint about water treatment using the Flint River as a drinking water source. As a result, people and property were harmed. VNA denies it did anything wrong.

Who is included in the Settlement?

The Settlement includes persons (and entities) who, between February 10, 2015, and July 31, 2016: (1) owned or leased residential property that received water from the Flint Water Treatment Plant, or were legally liable to pay for such water (had property damage); (2) owned or operated a business, including income operating property or other businesses, that received water from the Flint Water Treatment Plant (had business economic loss); or (3) ingested or came into contact with water received from the Flint Water Treatment Plant (had exposure) and were an adult on or before January 31, 2024.

What does the Settlement provide?

VNA will pay \$25 million into the Flint Water Crisis Qualified Settlement Fund (“Settlement Fund”) to resolve the pending class action against VNA.

How can I get a payment?

If you already submitted a claim in one of the prior settlements, you do not need to do anything to receive a payment for this Settlement. If you believe you have not submitted a claim or are unsure if you have submitted a claim, you may inquire further at either the toll-free number or website below. The website also has a Claim Form that you may download and submit. If you have not previously submitted a claim, you need to submit a Claim Form by mail postmarked by **September 16, 2024**, to get any money from the Settlement Fund.

At this time, it is unknown how much each individual (or entity) who submits a valid claim will receive. Payments will be based on the number of claims filed and the type of claim you file.

What are my rights?

Even if you do nothing, you will be bound by the Court’s decisions. If you want to keep your right to sue VNA, you must exclude yourself by **August 16, 2024**. If you do not exclude yourself, you may object to the Settlement by **August 16, 2024**. You have the right to hire your own lawyer to represent you as an objector, though you do not need to hire one in order to object.

The Court will hold a hearing on **October 3, 2024**, to consider whether to approve (1) the Settlement and (2) a request for attorneys’ fees and expenses up to 33% of the class action portion of the Settlement Fund. You or your own lawyer may appear and speak at the hearing at your own expense.

AROUND TOWN

Music is everywhere and often free in Flint this summer

Written by J. M. Land

Thanks to grants and other benefactors, there is a lot of high-quality music close to home this summer, most at no cost to you. You may need to bring your own lawn chair at some locations.

First at Noon – The Greater Flint Arts Council sponsors 20 concerts every Saturday from July 5 through August 16, from 11:45 a.m. – 1:15 p.m. in Wilson Park, located between U of M Flint and the Flint Farmer's Market. Music styles include Latin, blues, rock, gospel, funk, jazz, African drums, and of course, Flint's own style of jazz. Free admission. Bring a chair and your lunch! Go to <http://www.gfac-flint.org> for more information.

Jazz on Wheels – On Friday at 5:30 p.m., at the old Farmer's Market along Robert T. Longway. This venue reminded me of going to the drive-in movie theater as a kid! Instead of applauding, everyone honks their horns. If it's raining, you stay in the car to listen. If not, get your lawn chair and sit up front. There was a food truck, and Tamika Mack of Wicked Delight Bakery selling baked goods. Free admission.

Towne Boogie – located at 620 W Court St, across from the White Horse. Towne has partnered with Jazz on Wheels and the Levitt Foundation to sponsor the The Levitt 3457 Flint Concert Series, featuring musicians from beyond Detroit and around the world. Go to <http://www.levittfoundation.org> for more information, or Call Towne at 810-407-6402. Free admission.

Flint's Public Library – This library has some great music coming up! They have six music experiments coming in July and August with a range of music from opera to African drumming by Kuangana. The library's full program guide can be downloaded at <http://www.flintinfo.org/links/program-guide>.

The Flint Institute of Arts – In partnership with the FIA's Music Around Town series, Fats Night returns to the Paloma Cafe patio (where the bright yellow umbrellas sit) every Friday from July 12 – August 12. The community is invited to enjoy an evening of live music, food and drink specials.

Arrive early for a spot on the patio, or bring a chair or blanket for the lawn. The patio is open from 5 – 8 p.m., with music from 6 – 7:30 p.m. Music styles range from pop, blues, and jazz to a family night that includes some kids' tunes. In the event of rain, performances will be moved into the FIA's Isabel Hall. The art galleries will be open until 5 p.m. Admission is free. A complete schedule of dates and performers is available at flintarts.org.

42nd Jazz Festival – Due to renovations at the Flint streetfront, the 2004 Flint Jazz Festival will be at the Clio Amphitheater, 201 Rodgers Lodge Drive, Clio, Michigan – held at the Clio Amphitheater this year, with another great lineup of artists. On Friday, the headliner are Phil Dwyer and Kayla Waters; Saturday it's Dr. Theodore Wallace and Jeff Lorber Fusion. Organismo ends the festival on Sunday night. Other highlights include the enormous talent we have from the Flint area: Edgar, Roger Jones & Higher Calling, Tagalog, Herb McGowan Quartet, Smooth Operations, Peoples Jazz Band, and of course, Grace Pennington-Humphill.

Admission is \$10 a day or \$20 for the weekend, and is well worth it! There will be no JAZZWALK in 2004.

Jazz Nights – A partnership between GFAC and The White Horse Tavern, local jazz musicians play live at the White Horse Tavern, downtown Flint on the 4th Thursday of each month, 5-7:30 p.m.
